Significant State Activity

New Governor Spencer Cox has announced that he is calling the legislature into a special session on May 17th to discuss ongoing flooding and the need to possibly extend the State Emergency Declaration. *[Utah Legislature]*

Other Immediate Concerns

- **Active** The most significant rises are forecasted for the South Fork of the Ogden River and Bear River at Corinne affecting Box Elder County. [See Flood Warnings here](#) *[NWS Twitter]*
- **Active** Snowmelt due to warm temperatures and upstream dam releases will continue to result in increased river flows. Some reported flood-related landslides are being monitored.

Disclosure is not limited.

Current State (SERT) Actions

- **Active** May 1st [Utah Water Supply Outlook Report](#) by the Natural Resources Conservation Service (NRCS)
- **Active** Activated Emergency Support Functions: ESF #1, ESF #3, ESF #5, ESF #7, ESF #11, ESF #13, ESF #14, ESF #15, ESF #16, Logistics, VDCT, Volunteer Agency Liaison (VAL), VOAD, Finance, and Air Operations.

Current Operational Requests

- **Active** 10 active requests are in progress regarding various other flooding response and mitigation resources, 1 active request is pending additional information for flooding response. *[WebEOC]*

Region 1

Box Elder County

- **Active** Bear River went over the banks last Thursday. PacifiCorp raised the release of Cutler Dam to 8000 cfs with indication that it will continue to go up incrementally. It takes almost 2 days for flow increases to travel from the Dam to Corinne. All river bottom agricultural lands are currently flooded. We are in communication with the following potentially impacted entities / infrastructure:
 - Old Barn Community Theatre near Collinston
 - Bear Hollow Ski resort community just south of SR 30
 - SR 102 bridge
 - Corinne City sewer treatment plant
 - One residence
- **Update** Garland City culinary water treatment plant continues to be impacted by flooding. They are continuing to pump overflow from the treatment facility and will continue to monitor all locations.

Cache County

- **Active** The Bureau of Reclamation, Utah Division of Water Resources, and Cache County are actively monitoring the Hyrum Dam for potential high-flow releases in the Little Bear River. *[Bureau of Reclamation, Interagency Correspondence]*
- **Active** Extending the seasonal restrictions on county roads to motorized vehicles until at least May 15th. *[Cache County]*

Weber County

- **Active** The Bureau of Reclamation is actively monitoring the Causey Reservoir, overflow into the spillway began during the morning of 5/4/23 and is ongoing. *[Bureau of Reclamation, LNO Correspondence]*

Region 2

Salt Lake County

- **New** Millcreek City has extended their Emergency Declaration until June 30th.
- **Update** Salt Lake County is working with UDOT to safely protect the Big Cottonwood Water Treatment Plant from possible flooding. *[LNO Correspondence]*
- **Active** Sugar House Park will be closed to vehicles through at least May 14th as controlled releases from Mountain Dell and Little Dell Reservoirs continue. *[SLCo Parks & Recreation Twitter]*
- **Active** SR-190 and SR-210 are being monitored and assessed daily to determine if/when road closures are needed for land/mudslides, avalanches, or other hazards. Closures are possible at any time.. *[UDOT Cottonwood Canyons]*

Utah County

- **Active** Nightly closures of SR-89 at MP 311 are expected. *[UDOT]*

Wasatch County

- **Active** K-Rails from UDOT for flood diversion are expected to be delivered 5/10. This is for protection of US-40 in Heber City.

Summit County

- **Active** Summit County has moved to a Level 2, Partial Activation and is closely monitoring their water levels. *[LNO Correspondence]*

Region 3

- **New** Juab County has extended their Emergency Declaration until August 31st.

Region 4

Garfield County

- **Active** Road at John's Valley Road through Black Canyon south of Antimony is now open but could close if water rises.

Washington County

- **New** Washington Assist fire has been 100% contained.

Region 5

- No significant updates to report at this time.

Region 6/7

- No significant updates to report at this time.

Tribal Nations

- No significant updates to report at this time.
