

# STATE OF UTAH SITUATION REPORT

This information is from the previous 24 hours  
May 11, 2023 as of 0700

## State Lifeline Status

[CLICK HERE](#) TO SEE A CURRENT MAP FOR INCIDENTS STATEWIDE

## Significant State Activity

**New** Governor Spencer Cox has announced that he is calling the legislature into a special session on May 17th to discuss ongoing flooding and the need to possibly extend the State Emergency Declaration. *[Utah Legislature]*

## Other Immediate Concerns

- **Active** The most significant rises are forecasted for the South Fork of the Ogden River and Bear River at Corinne affecting Box Elder County. [See Flood Warnings here](#) *[NWS Twitter]*
- **Active** Snowmelt due to warm temperatures and upstream dam releases will continue to result in increased river flows. Some reported flood-related landslides are being monitored.

**TLP: WHITE**

Disclosure is not limited.

## Current State (SERT) Actions

- **Active** May 1st [Utah Water Supply Outlook Report](#) by the Natural Resources Conservation Service (NRCS)
- **Active** Activated Emergency Support Functions: ESF #1, ESF #3, ESF #5, ESF #7, ESF #11, ESF #13, ESF #14, ESF #15, ESF #16, Logistics, VDCT, Volunteer Agency Liaison (VAL), VOAD, Finance, and Air Operations.

## Current Operational Requests

- **Active** 10 active requests are in progress regarding various other flooding response and mitigation resources, 1 active request is pending additional information for flooding response. *[WebEOC]*

## Region 1

### **Box Elder County**

- **Active** Garland City culinary water treatment plant continues to be impacted by flooding. They are continuing to pump overflow from the treatment facility and will continue to monitor all locations.

### **Cache County**

- **Active** The Bureau of Reclamation, Utah Division of Water Resources, and Cache County are actively monitoring the Hyrum Dam for potential high-flow releases in the Little Bear River. *[Bureau of Reclamation, Interagency Correspondence]*
- **Active** Extending the seasonal restrictions on county roads to motorized vehicles until at least May 15th. *[Cache County]*

### **Weber County**

- **New** A landslide occurred last night in Eden, resulting in the evacuation of one home. They are currently diverting the water to prevent further flooding.
- **Active** The Bureau of Reclamation is actively monitoring the Causey Reservoir, overflow into the spillway began during the morning of 5/4/23 and is ongoing. *[Bureau of Reclamation, LNO Correspondence]*

## Region 2

### **Salt Lake County**

- **Active** Salt Lake County is working with UDOT to safely protect the Big Cottonwood Water Treatment Plant from possible flooding. *[LNO Correspondence]*
- **Active** Sugar House Park will be closed to vehicles through at least May 14th as controlled releases from Mountain Dell and Little Dell Reservoirs continue. *[SLCo Parks & Recreation Twitter]*
- **Active** SR-190 and SR-210 are being monitored and assessed daily to determine if/when road closures are needed for land/mudslides, avalanches, or other hazards. Closures are possible at any time.. *[UDOT Cottonwood Canyons]*

### **Summit County**

- **New** In [Vivian Park](#) and in the [Town of Echo](#), there is currently a Public Notice regarding boiling water due to contamination from flooding.
- **Active** Summit County has moved to a Level 2, Partial Activation and is closely monitoring their water levels. *[LNO Correspondence]*

## Region 3

- No significant updates to report at this time.

## Region 4

- No significant updates to report at this time.

## Region 5

### **Uintah County**

- **New** Green River is expected to be in the action stage starting Friday and near flood stage starting Sunday. It will likely stay above action stage into next week. Sand and sandbags available at the Jensen fire station. No reports of flooding yet.

### **Duchesne County**

- **Active** rivers are held inside bank level. Sand and sandbags are available for the community in several locations.

## Region 6/7

- No significant updates to report at this time.

## Tribal Nations

- No significant updates to report at this time.

*Impact and activity information is provided by Local Emergency Management partners, the State Emergency Response Team (SERT), and private and non-profit partners through various coordinating communication channels. This is a developing situation, and information may quickly become outdated. Additional situation reports may be made as verified information becomes available.*
