Report #77

## Current State (SERT) Actions

- **New** Davis, Morgan, Weber, Utah, Wasatch, & Summit County emergency managers participated in a flyover with the UTNG today to assess the remaining snowpack in their regions, as well as some of the damage that's already been done. The emergency managers did not have too many pressing concerns after the flyover. *[LNO Correspondence]*
- **New** DEM is working with locals on funding opportunities as part of Senate Bill 00003, the State Disaster Declaration, and House Bill 1001. *[DEM]*
- **Active** Activated Emergency Support Functions: ESF #1, ESF #3, ESF #5, ESF #7, ESF #11, ESF #13, ESF #14, ESF #15, ESF #16, Logistics, VDCT, Volunteer Agency Liaison (VAL), Finance, and Air Operations.

## Current Operational Requests

- **Update** 10 active requests are in progress regarding various flood response and mitigation resources. 77 requests have been closed. *[WebEOC]*

## Region 1

### Cache County

- **Active** Logan City has issued an [Executive Order](#) that limits recreation on the Logan River until 6/24/23 or the Mayor terminates the order. *[LNO Correspondence]*
- **Active** Logan Ranger District High Creek Road is closed from Forest boundary to High Creek Trailhead to any type of motorized vehicle. The road was scheduled to open on 5/15, but the road will remain closed due to wet, muddy, and flooding conditions. *[Uinta-Wasatch-Cache USDA Forest Service]*

## Region 2

### Salt Lake County

- **Active** SR-190 and SR-210 are being monitored and assessed daily to determine if/when road closures are needed for land/mudslides, avalanches, or other hazards. Closures are possible at any time. *[UDOT Cottonwood Canyons]*

### Summit County

- **Active** The culverts near Old Ranch Road are at maximum capacity. The County's sandbagging efforts are holding. *[LNO Correspondence]*

### Utah County

- **Active** A section of Nebo Loop Scenic Road in Payson Canyon has been washed out and will be closed until further notice. The County has been assessing and tracking the damages. Additional washouts and road closures have occurred at Right Fork Hobble Creek and Monks Hollow, and Pole Canyon. *[LNO Correspondence, Uintah-Wasatch-Cache USDA Forest Service]*
- **Active** A sinkhole is forming at the American Fork Boat Harbor. The road has been closed and local emergency management, local public works, and UDOT have been on scene to address the concern. *[LNO Correspondence]*
- **Active** A sinkhole was reported in American Fork at The Fox Hollow Golf Club. The sinkhole has not been stabilized and the County is continuing to monitor. *[LNO Correspondence]*
- **Active** As of 4/6/23, there has been a [public notice](#) to boil water in Vivian Park due to storage tank damage caused by an avalanche on 3/23/23. *[DEQ Correspondence]*

### Wasatch County

- **Active** The Rockcliff area at Jordanelle State Park is closed due to flooding. It is a day-use area, not a campground. *[DNR Parks & Recreation]*

## Region 3

### Piute County

- **Active** Sevier County is still in the process of renting equipment that they can use to remove several sandbars in the river channel. They are cleaning out the sand bars and started this process last week. This will help increase the holding and flow capacity of the river. There is also a good chance businesses will be affected in Marysvale Canyon as the river flows out of Piute County. *[LNO Correspondence]*

## Region 4

### Washington County

- **Update** Crater Hill Fire - Started 5/31/23 in the southwestern corner of Zion National Park and estimated at 136 acres is now 100% contained. National Park Service wildland firefighters will continue to actively monitor and patrol the burn area. *[InciWeb Zion National Park]*

## Region 5

### Uintah County

- **Update** The Ouray Wildlife Refuge no longer has any concerns, conditions are normal. *[LNO Correspondence]*

## Region 6/7

- No significant updates to report at this time.

## Tribal Nations

- No significant updates to report at this time.

*Impact and activity information is provided by Local Emergency Management partners, the State Emergency Response Team (SERT), and private and non-profit partners through various coordinating communication channels.
